Why Rent When You Can OWN

Only RM1,100* per month

RENT vs OWN

You build your
landlord's wealth.

Your monthly payment
may increase.

You are limited to what
you can do in your home.

Your "home" does not
belong to you.

You build your
OWN wealth.

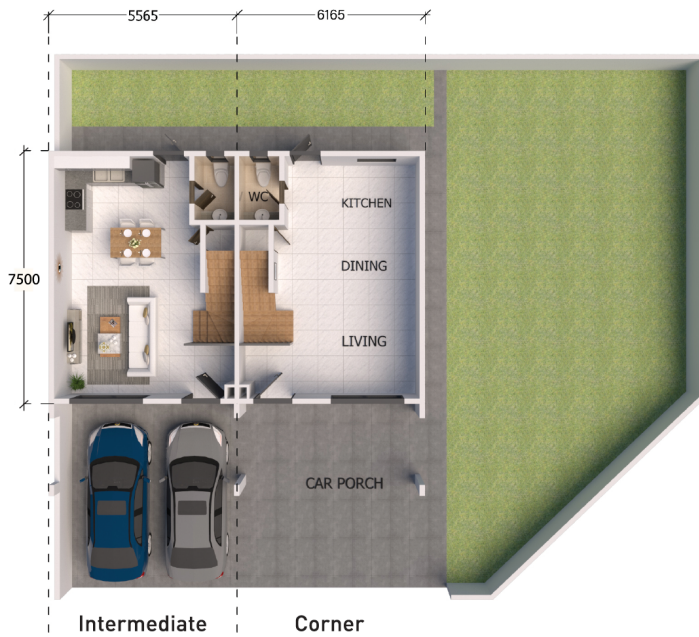

Your monthly payment
is locked in.

You have the **freedom** to
design your living space.

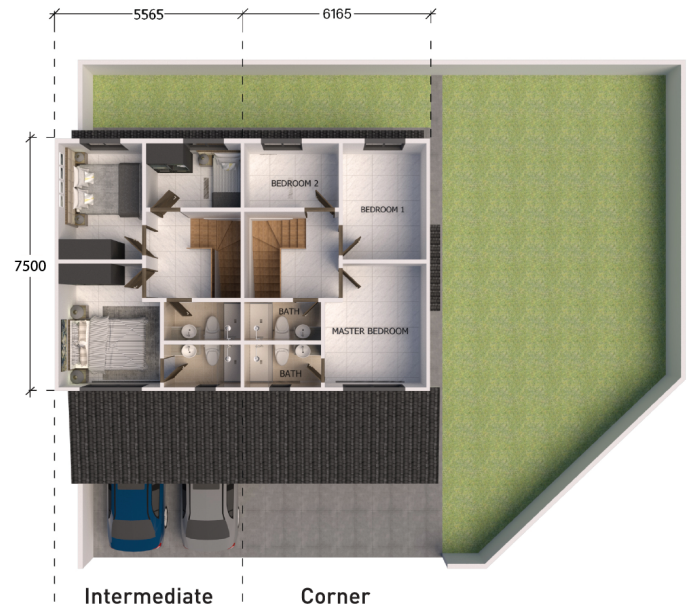

Your home value will
increase overtime.
